Quarterly Operations Report - Q3 2026

This report summarizes warehouse throughput and fulfillment performance for the third quarter. Volumes rose steadily across all regions, and on-time delivery improved compared with the previous quarter.

Region	Orders shipped	On-time %
North	48,210	96.4%
South	39,875	94.1%
East	52,330	97.2%
West	44,906	95.8%

Next quarter, the team will focus on reducing packaging waste and shortening dock-to-stock time in the East region.
